

## 2017 Landscape & Grounds Maintenance Short Course

**Wednesday, February 1**

**Strategies for Low Input Lawn Care** - Learn techniques for maintaining healthy turfgrass without a lot of time and money. *Paul Koch, Turfgrass Plant Pathology Specialist, Turfgrass Diagnostic Lab, UW-Extension*

**Managing Ticks, Mosquitoes and Scale Insects in the Landscape** - Ticks, mosquitoes and scale insects can be problematic; learn how to minimize their impact and occurrence in the landscape. *P.J. Liesch, Director, Plant Insect Diagnostic Lab, UW-Madison*

**Wednesday, February 8**

**Seasonal Plantings with Impact** - Mark will discuss using annuals and other seasonal plants to create a memorable display. *Mark Dwyer, Director of Horticulture, Rotary Botanical Gardens*

**Managing Soils for Quality: Evaluation and Remediation** - Good quality soils are critical to healthy landscapes; learn how to evaluate and improve soil quality in landscape situations. *Jim Stute, Crop & Soil Research Director, Michael Fields Agricultural Institute*

**Wednesday, February 15**

**Plant Communities for Pollinators in Urban Areas** - You don't need large areas to support pollinators. Learn how small spaces can help too! *Ben Futa, Executive Director, Allen Centennial Garden, UW-Madison*

**Preservation of Pollinators in the Urban Landscape** - How can we control the pests and preserve to pollinators? Chris will talk about best practices for accomplishing both. *Chris Williamson, Turfgrass and Ornamental Entomologist, Plant Disease Diagnostic Clinic, UW-Extension*

**Wednesday, February 22**

**Diseases of Conifers** - Learn to identify and treat diseases of conifers commonly found in southeast Wisconsin. *Brian Hudelson, Director, Plant Disease Diagnostic Clinic, UW-Extension*

**Beyond Blue Spruce: Conifers for Today's Landscapes** - Once you've learned which conifers are most likely to become diseased, Laura will offer ideas for better choices and replacements. *Laura Jull, Woody Ornamentals Specialist, UW-Extension*

**Registration deadline: January 25, 2017 (or when full)**

**\*\*\*Credit Card information will be shredded immediately after registration is processed\*\*\***

Dear Landscape Professional,

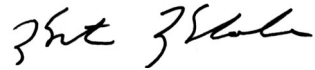

Join other horticulture professionals in learning up-to-date science-based information to help you increase the economic and environmental sustainability of landscapes you care for and your business.

The Waukesha registration fee for all four sessions is \$65. If you are interested in attending single sessions, the cost is \$20 per session.

If you wish to pay with a credit card, please fill out the information on the registration form, or write "call for card number." There will be NO REFUNDS.

If you have any questions, please contact Lisa Boyer at [lboyer@waukeshacounty.gov](mailto:lboyer@waukeshacounty.gov) or 262-548-7775.

Sincerely,

Kristin Krokowski  
Commercial Horticulture Educator  
UW-Extension Waukesha County
